## Message From The Director

As the school term comes to a close, I would like to take a moment to say thank you. Thankyou for sharing your precious children with us. We have done our best to keep them safe and happy this term. Memories made with them are priceless. Thankyou for taking time to read and sign all the notices and forms that come home and for reading with your child and helping them learn. Above all thankyou for being present, intentional and involved in their lives.

## Message From The HeadTeacher

I bring you very warm greetings from Kampala Quality Kindergarten. We thank the Almighty God who has once again enabled us to complete this term peacefully. Today, 18th August 2023, we have officially come to the end of Second Term. We continue to thank you, our esteemed parents and guardians for your unending support.

### Academics.

Most of our learners have excelled in their work as exhibited in their report cards. We are confident that most of them will make it to the next classes next term with ease.

### Appreciation.

Allow me pass on a vote of thanks to you all for gracing our kindergarten sports day held on 22nd July 2023, by turning up in big numbers. Your participation encouraged the learners believe in themselves. I also thank you for ably facilitating your children for the concluded education tours. They really enjoyed theme selves and learning took place.

### Leadership

Our honorables in leadership have done a great job this term. I appreciate them for balancing well leadership and academics. Thank you dear parents and guardians for supporting them.

### School fees

I thank all of you who endeavored to clear school fees for their children in time. Timely payment of school fees helps us to offer better services to our pupils. I encourage everybody to bear this in mind that school fees for third term has not changed.
